

## Scholarship Resource

A Guide to Scholarship Information

To simplify your search for scholarships, we've compiled a list of different national resources to help you in your search for college funding and to help you get that extra step closer to a future at Columbia College Hollywood.

In addition to the listed national resources, remember to search locally for college money. Try asking local businesses, your church, civic groups, labor unions, high schools, clubs, organizations, homeowners associations, private charities, your parents' places of employment or even your own employer! Most importantly, keep in contact with your Columbia College Hollywood financial aid advisor. He or she may know of other scholarship opportunities you might be eligible for. You can reach the office at (800) 785-0585.

In order to receive a scholarship, you may be required to write an essay, pass an exam or complete a project. Many have deadlines and time sensitive restrictions that need to be followed and they may require a minimum GPA while in college to have your scholarship renewed. Many scholarships are offered based on one or more of the following criteria: financial need, academic merit, area of study, creative samples, and accomplishments. Make sure to read all of the details when applying. Additionally, some scholarships require you to first complete the Free Application for Federal Student Aid which you can do at <http://www.fafsa.ed.gov/>.
